Dear Parents / Guardians, Staff and Pupils - I hope you are keeping safe and well and continuing to follow the guidelines in responding to the challenge of Coronavirus.

Nursery and Reception - We have received information from the Education Authority that Nursery and Reception pupils will NOT be returning before the end of the Summer term this year.

Blended Learning - learning from home through activities on the school website will continue for everyone as the main medium of teaching and learning. I would like to draw your attention to some useful websites especially in terms of speaking and listening in the Welsh language. We hope you will be able to share these with your children.
