**Thank you for all your cooperation as we continue to respond to the challenge of the coronavirus.**

**Wellbeing phone calls** - one call per family - the teachers are in the process of liaising with families in order to ensure the welfare of all pupils. Usually the teacher of your oldest child (who is a pupil at Ysgol Gymraeg) will call your home. However you are welcome to contact specific teachers via e-mail to arrange a call if you have any concerns or need further help.

**Childcare** - many of you have taken advantage of the childcare available at school for the children of frontline workers. Here are the links for applying for a place. Links are open until 1pm every Wednesday. If you have a problem then please contact me at school.

**A message of thanks to parents / guardians** - as January draws to a close I would like to thank you all for your co-operation over the last four weeks. It is a challenging time for everyone and we are aware that some families are in need of help and support. Please remember that the school is here to help so contact me if you need any support or even a chat.

**Many thanks to the staff** - I would like to thank all the staff who are teaching and engaging with pupils in a very different way than usual. I would like to commend them for preparing interesting activities and for providing daily live learning opportunities. I would also like to acknowledge the vital work of the staff who run the childcare hubs at school on a daily basis.

**If you have any worries regarding your child's education then please contact me immediately.**
